JUDGE SILLIMAN.

Judge Silliman, who is engaged in

the practice of law in San Francisco, is

considering a very flattering offer of

a law partnership in Chicago. Judge

Silliman was one of the first circuit

Judges in Honolulu appointed after the

organization of the Territory. He re-

signed from the bench and returned to

practice in partnership with F. M.

Hatch now of the supreme court. He

went to San Francisco more than a

year ago on account of his health.

Then, the descriptions by secretary Stevens are as graphic and delightful word pictures as were ever given to the public. The estimation in which these Portfolios are held is evidenced by the fact that the representatives of Japan have purchase over 2,200 of the Albums. Get the entire series.
